### Message from Presidents

**Doug and Jan Bergesen**

Happy New Year!

Just to let you know, we had scheduled an Anniversary Dance on April 23, 2021. Seeing as how we don't even know if we will be dancing by then or if we can find a large facility by then or how well we will all be dancing by then, we as a board have decided to cancel that Anniversary dance. If we are dancing by then, it will just be a normal dance.

So, did you have enough of Christmas or do you need a little bit more? I recently found out what the 12 days of Christmas are all about (and it's not just a partridge in a pear tree). It's the 12 days after Christmas that take us to January 6th when we celebrate the arrival of the wise men. By the way, that's why you are supposed to leave your Christmas decorations up until Jan. 6th. Well, someone was very creative and came up with the 12 Tips of Square Dance. If you would like to enjoy it, see the link below:

## Sunshine information

From Lucy Hamm our Sunshine Reporter

Happy New Year! Canadian author Louise Penny opened her January newsletter with a quote from American author of books about children, L.R. Krost. "Do not be dismayed by the darkness of the world.....all things can be mended. Not with time, as they say, but with intention. So go, love intentionally, extravagantly, unconditionally. The broken world waits in darkness for the light that is you".

Audrey Mansell (the Promenade Editor} is still asking for "Sweetheart" photos for the February issue of the Promenade. Her idea is an older but clear photo; not square dance related. Her deadline is January 15. Please send to email address: [promenade@new.nortex.org](mailto:promenade@new.nortex.org). Include the names of each person, the name of the square dance club (whether you are active or associate does not matter) you represent and your office, if you are a current officer of the club. If you have questions, Audrey's phone number is 817-596-4994.

We hope everyone had a nice celebration of Christmas Day with as many family and/or friends with whom you could safely do so. Our usual 6 people were down to 3 of us at Christmas dinner but we had long distance contact with our daughter and her family. Ralph called all 4 of his siblings on Christmas Eve afternoon. . I called my former college roommate, who is like a sister to me, on the same day.
