### **Message from Presidents**

**Russ and Anne Nejd**

We have returned in the middle of this week from our trip to Egypt. It was a 20 hour plane ride home with about 6 hours of downtime in airports. We are both incredibly jet-lagged, waking up in the wee hours of the morning and falling asleep after dinner. Thank you to Dan and Nina Lassiter for stepping in and taking over our responsibilities while we were gone. They did an outstanding job. We are looking forward to seeing all of you at our upcoming Elvis themed double deal dance next Friday at the new dance venue. Poodle skirts and 50's attire welcome as are Elvis impersonators. Bobby and JL promise to play songs from the 50's and from Elvis too. This should be a fun dance with lots of visitors. Don't forget to wear your mask.

Russ and Anne Nejd

## \* \* \* EVENTS FROM THE PAST WEEK \* \* \*

### Thursday, October 14 -- Lone Star Solos -- Double Deal Dance

The dance was only two squares strong, but the dancing was really a good time. Bobby did a really fine job keeping the dancers going. He finished off the night with the Fisherman's Luck. One of the Round dancers commented on how good Jan Toms has become one of the good Cuers and how well she was right on the beat. I myself don't know since I am not a round dancer; however, I did enjoy watching the round dancers dancing and I did notice how much they were enjoying dancing to her cueing to a good selection of rhythms. Swinging Stars only had 4 members attending. Thank you to Charlie and Linda Harris for visiting with Dave and myself. We did have a fun time dancing and visiting with the other dancers that attended the dance.

### Friday, October 15 -- Texas Reelers -- Freaky Friday Costume Ball

Wow! what a fun time at the Texas Reelers Freaky Friday Costume Ball. There were a total of 4 squares dancing every tip. We enjoyed the cueing of Chris Farabaugh the only problem there were only a few Round dancers dancing. He also did a few line Dances and several of the dancers learned a couple line dances. Deborah Carroll's calling was, as you would have expected, lively and different than the usual. She called a new song, well it wasn't actually a new song, but it was for her. At the end of the dance she sang and called to "Ghost Riders in the sky. But she changed the lyrics to "Ghost Chickens in the sky". I had heard her rendition for this song before, but had forgotten how much fun it was to hear it and dance to it again. We enjoyed dancing to Jan Bergesen; she did a tip and is progressing very well in her calling career. As for visiting Swinging Stars, well..., out of the 4 couples of Swinging Stars 2 of the Couples were wearing Texas Reelers Badges. So these 2 couples didn't count as Swinging Star Visitors to the Reelers. I will say I did appreciate them being there anyway. Thank you to Jan and Doug Bergesen for visiting with Dave and me and supporting the Swinging Star Visitation.

### Saturday, October 16 -- Rebel Rousers -- Spooktacular Official Club Visitation -- Pre Roundup Dance

Well, here I am with my report from the Rebel Rousers Dance. It really was a lot of fun. A lot of fast moving Square dancing. Both Mike Bramlett and Dan Nordbye are very similar in the way they call and at times if I wasn't looking I actually didn't know which one was calling. I did enjoy the fast pace that would keep you moving fast. Even though the round dancing was lacking very many Round dancers Christine did an excellent job of providing them with a good mix of rhythms for the dancers to

enjoy. We enjoyed dancing with several people from other clubs that we had not seen for quite some time. There were 7 seven squares on the floor and several sitting out around the room. I believe were 25 visitors, and guess what, only 4 or the visitors were Swinging Stars. I was really disappointed we didn't have more Stars there. I say thank you to Bob and Janet Rodgers. I am so grateful that they are willing to go dancing with Dave and me.

## **Sunshine information**

### **From Lucy Hamm our Sunshine Reporter**

Doug Bergesen has been in Arizona recently as his father was seriously ill. Please send your thoughts and prayers for Doug, Jan and his father. We hope his father continues to heal.

We are happy to share that Debbie Reid is actively progressing. She is going to physical therapy twice a week and exercising at home. She can't raise her arm quite as high as her shoulder but she has started taking line dancing again. She also has a big sewing project to keep her busy. She and Jim hope to be square and round dancing with the Swinging Stars by the end of the year.

Great news for round dancers who like to practice with videos, particularly square dance level round dancers. There is a new (September2021) website for you with 39 dances on an easily accessed list. By typing the following link: Pamela and Jeff Johnson YouTube you can go directly to the

site with no commercials. The Johnsons (nationally known who were from Minnesota but are now in Florida) dance on this site a variety of dance types and levels. Phase 3, 4 and a few 5's are on the site. There are 6 phase 3 Waltzes, 2 phase 3 Cha chas, 2 phase 3 Two Steps, 1 phase 3 Foxtrot, 1 phase 3 rumba, 1 phase 3 Slow Two Step, and 1 phase 3 Bolero (everyone's 1st Bolero-- "Valentine Bolero"). Another dance included is the Johnsons' own phase 5+2 rumba "Better Place", a current favorite rumba of the Hamms. Our favorite ChaCha, "Dance With the Devil" a phase 4 dance by JL and Linda Pelton is easily available. Karen and Ed Gloodt of Rainbow Rounds at Swingtime have a phase 4 Jive "Black Satin", "The Alligator Stroll", a phase 4 West Coast Swing; "Kindred Spirits", a phase 4 Bolero and our favorite phase 4 Waltz, "Legends of the Fall".

On a personal note, our son Edward will finally have surgery to close the opening on his abdomen on Wednesday. Since 2018, it has been a "long haul" for him.
