## Square and Round Dance Club

### *Newsletter for February 5, 2012*

---

Thank you for electing us to be your President for 2012. We are honored to be serving as President of the BEST and largest club in the North Texas area. Thank you to the out going 2011 Executive Committee; Gary and Peggy Amy, Tim Heintz and Rita Putnam-Heintz, Tom and Vickie Evanto, John Smith and Mary Hardin, Jack and Louise Duncan for serving so faithfully for the enjoyment of our favorite pastime. Your time and talents are appreciated, and not enough can be said for all you have done. We know many hours were spent working to keep our club the great club that it is. I also would like to thank the committees that worked so hard to get each task done. It is hard to mention everyone, but know that our club is truly blessed with so many talented people that are willing to give their time and talent whenever and whatever the task. Thank You.

We are looking forward to serving as your President for the year 2012. Let us work together so that our efforts will not be in vain. Let us continue to build friendships and to strengthen our favorite pastime. As The NORTEX President says it, "LET'S DO IT."

Dave and I will communicate to the club members the best that we can to keep everyone as informed as possible. In order for us to accomplish this you will be responsible for reading the newsletters every week to keep up. I spend hours writing the newsletter. I hope you will take the few minutes it takes to read it. Think of it this way. The more information you read in the newsletter the less time you will have to stand and listen during the announcements at the dance. You will be able to go to our Website [www.swingingstars.org](http://www.swingingstars.org) to see what is the latest news every Sunday evening (I hope). Sometimes it may be a little later in the evening than other times depending on what is going on that day.

#### **A few changes that the Executive Committee has approved:**

We are going to try to do something a little bit different. Starting with the Feb 10th dance we are going to try setting up with the caller and cuer table on the wall that we now call the back and make that the front of the room. We are going to see if this helps with all the noise that is going on when all the dancers are arriving and visiting in the entry. As I said, we are going to give this a try if it isn't good we will go back to the way it has been.

Another change the Executive Committee has approved is to move the Early Rounds to the 4th Friday and move the Mainstream DBD Workshop to the 2nd Friday. Because our theme dances are usually scheduled on the 4th Friday and most round dancers want to attend the early rounds, we hope that this will generate more visitors to our theme dances. This change won't happen until the April 13th dance, since we have advertised in the Promenade for the months of February and March with the Early Rounds on the 2nd Fridays and the DBD Workshop on the 4th Fridays.

The Swinging Stars have 5 couples taking Mainstream lessons at the Richardson Senior Center. We invite you to come meet them and help angel them. The students are doing great and are likely to join our club. If you have a free Tuesday now and than, make plans to come by and have fun with them. You will enjoy the fun of helping these new dancers become Swinging Stars. Lesson time is 7:00 to 9:00.

I would like to talk a little bit about a dance that is coming up on Sunday Feb. 19th at 2:00 to 4:00.

The NTCA and NORTEX have put together a dance and have called it a Fun Dance Party. It is free to everyone. All new dancers and students taking lessons are invited to be there. I would like the Swinging Stars to take an active part in getting all our new dancers and the current students to attend this Fun Dance Party. We encourage you to go and invite someone to ride with you. It is always more fun to ride together. Callers will be Mike Bramlett and Vernon Jones and John Brewer will be there doing some fun stuff with line dancing and mixers. The callers say this will be fun not just your run of the mill new dancer dance, but more like a party dance. If you would like to go and don't know who to invite get in contact with Lorraine (me) at [Lorraine@Bursons.com](mailto:Lorraine@Bursons.com) and I will help you. For more information about this Fun Dance Party see the Ad on Page 5 of the February Promenade.
