## Square and Round Dance Club

*Newsletter for August 5, 2012*

---

This is an important message to the club from the Lesson Committee. Our lessons are the life line for our club. We all need to do our part recruiting new dancers. We will probably have a few people drop out for one reason or other, some times it is sickness and some times people move away. So we must keep replenishing our membership. Please read all the context of this message about the lessons and also the message from Wayne.

## **MAINSTREAM SQUARE DANCE LESSONS**

Do you have someone  
in mind that you would  
like to invite to learn  
to square dance?

**Attention All Swinging Stars!!!  
It's recruiting time...**

**BEGINNER BASIC MAINSTREAM SQUARE DANCE LESSONS SPONSORED BY THE "SWINGING STARS" START ON TUESDAY AUGUST 28 THRU DECEMBER 18 (17 LESSONS IN ALL) . We ask all club members to do their part to recruit students for our lessons. The Lesson Committee is doing advertising in local newspapers and magazines BUT WE NEED YOU to help us also by personally recruiting friends or acquaintances you feel would have fun doing our favorite pastime. We'll be handing out packets to all club members at our club dances. In each packet there will be Lesson Advertising Material: 5 pamphlets and 3 flyers. You may pick up as many packets as you like. There will also be several clear plastic pamphlet holders for those who know a place where these holders might be used.**

**Keep in mind the first two lessons on Tuesday, August 28 and Tuesday, September 4 are FREE.** This is a good draw for those who have doubts about Square Dancing. Bring potential recruits with you these first two lessons.

Note also the Distribution Options listed in your packets. Always obtain permission from a store owner if you want to leave pamphlets in their store.

We thank all of you for your support in our recruiting efforts.

## **A MESSAGE FROM WAYNE BALDWIN**

Hi,

I'm sending this information to you, and thought you might want to send it to all club members. It does give good and useful information, but does not cover some things that I will add. First of all, every new dancer does not need an angel. I think it best for new dancers to dance together as much as possible for the simple reason they will not become dependent on angels. It's a slower process, but the dancers execute all of a call by themselves and with lots of repetition they learn more thoroughly. Of course all dancers do not learn at the same pace, and if more guidance is needed then angels play a big part of helping those individuals who need help. When teaching the more difficult calls that are hard to explain, I will ask for a square of angles to demo the call, which is a good learning tool. The overall plan is to teach dancers to fly by themselves with confidence and become good club members. After graduation is the most critical time for new dancers. It's a big adjustment from lessons to a club dance, and at that point, it becomes the responsibility of club members to make them feel welcome and comfortable. If new dancers come to a club dance and they are greeted with open arms, get to dance a lot and dance well, they are more likely to join the club and stay with the activity. At this point we all become angels, and we need to do our very best to guide them so they will become happy square dancers, and club members of the best club in the metropolis.

Everybody say Amen....

Wayne Baldwin

**If you are wanting to attend our mainstream lessons to improve your dancing skills, and if you want to be assured that you will be able to dance in a square every time to achieve this goal, please enroll as a student with the Parks and Rec. Students look to the angels to be able to help them learn. It is frustrating for the student when they think all the members are well seasoned dancers only to find that some of the angels are having trouble with the calls, also.**

## **GUIDELINES FOR CLASS ANGELS**

### **WHAT IS A SQUARE DANCE ANGEL?**

Heavenly beings? Well, square dance angels are a little more down to earth. They are the wonderful people who respond to the appeal to introduce square dancing to the public by demonstrating at shopping malls, one-night stands, TV spots and special programs. They bring others to square dance classes and aid the teacher/caller by filling in squares so that all class members may dance.

#### **DEFINITION:**

Participant of a dancing square that discreetly, privately, carefully and subtly indicates movement through the square. Gives dignity and encouragement. NOT AN INSTRUCTOR.

#### **ARE YOU REALLY AN ANGEL?**

Most callers appreciate the support and help of experienced dancers in the beginning classes, but "Angels" can actually make the caller's task more difficult and discourage, rather than encourage, new dancers. An angel will be an asset if he will only remember the first attempt and the first classes he attended. An Angel will not bring his "dancer ego" into the lesson sessions. Sometimes we forget that we were not born with all the basics installed for good square dancing and we too had to be shown right hand from left hand.

## WHAT DOES AN ANGEL DO:

1. An Angel guides the new dancer and if done properly, only two people know that guidance was given - the one who guided and the one who was guided. Guidance is subtle - never pushing, pulling or humiliating.
2. An Angel can keep an enthusiastic attitude and an interested facial impression that during the time the instructor is attempting to teach or demonstrate. If the Angel acts or looks bored or loses patience during this time, then perhaps he or she is not cut out to be an "Angel".
3. An Angel does not attempt to explain a new movement during the time the instructor is talking. A new dancer cannot listen to two people at the same time. Answer any questions between tips or take the student to the instructor for help.
4. An Angel is careful not to say anything even in jest that may hurt a new dancer's feelings or make him feel inferior or humiliated.
5. An angel will offer his place in a square to a student who comes in late.
6. An angel does calmly regroup if a square breaks down. He does what the instructor teaches in lessons to get a derailed square going.
7. An angel is friendly. Introduces himself to the new people and makes them feel welcome.
8. An angel tries to be as slow as a learner while new movements are being taught. Does not do the movement until it has been explained.
9. An angel does not do any of the trick movements - gimmicks, bumps, kicks etc. that confuses a learner's ability to grasp the new movements.
10. Does not express gripes or complaints about how the club is run or other general problems about other club members, officers or the instructor.
11. Responds quickly to get squares set up ready to go. Encourage the new dancers to get on the floor quickly.
12. Wears badges and proper square dance attire. Observes the good manners and commandments of square dancers.
13. Invites the new dancers to stop for coffee if this is a practice with the club.
14. An angel arrives on time and is ready to dance.
15. An angel dances with different dancers so as to share their personality with others.
16. An angel is one who dances the calls the way they are called and not as they would like.

We are excited to have our "Let's Have a Ball" Pre-Roundup dance on Friday, September 28<sup>th</sup>. We have chosen the theme "International World Ball". Dress with an international flare if you like and come have a great time dancing as we build excitement for this year's annual NORTEX Roundup.

I would like to stress that ALL of the Swinging Stars members are hosting our Pre Round Up Dance. Everyone is expected to take part. This is a fundraiser for the club to help with the expenses of the club. Beyond that it is to be a fun filled night of friendship set to music. It is my expectation that everyone share in the tasks required to have a special dance of this kind. If everyone spends a little of his or her time helping out, everyone will be able to enjoy the dance. Please don't leave everything to the committee leaders to do all that is to be done. ## **Houston Hoedown**

Here is a message from Bob and Terri Pitts. Please read it and let **them** know what you think and if you would like to go to the Houston Hoedown. This is the equivalent of the Round-up that we have here. It sure sounds like fun to me.

Hey Swinging Stars,

We discovered a square dance opportunity in Galveston, Texas 16-17 November. It is called the Houston Hoedown to be held at Moody Gardens and features the headline caller Dee Dee Dougherty and cuer Mark Prow. See the details in the link below which is also available on the Swinging Stars website. Terri and I have already booked the event hotel (Moody Garden) and plan to participate in all the Friday and Saturday activities. We wanted to let you know about this opportunity to enable you to secure a hotel if you want to go and to collect interest from our club so we can plan travel, meals, etc. if there are enough interested. Let us know via email ([bobp8211@gmail.com](mailto:bobp8211@gmail.com)) if you plan to go.

## MEMBERSHIP NEWS:

### An Update from Jack Duncan

First I want to thank all of you for your kind words and well wishes during my back surgery. I got home Saturday afternoon from the hospital and I am getting around pretty good WITHOUT a walker but I am moving very slowly AND the good news...drum roll please...I don't have ANY pain in my right leg!! I have a LOT of pain in my back but that's to be expected after this complex of a procedure but the pain I was having in my right leg appears to be gone. The PT tech told me NOT to BLT; bend, lift or twist. So, I will heed those instructions and give nature time to heal my wounds and hopefully I can get back to a somewhat normal life. Sure miss dancing with you guys.

*P. Jack Duncan*
