Message from Presidents

Russ and Anne Nejdl

It was great to see familiar faces at our club dance. We had a surprise appearance by Peggy Pharr who visited with us and shared pictures on her phone of the cat she inherited from Decker. There were a lot of brightly colored shirts, pooka beads, and leis. Russ and I wore grass skirts, which led to the highlight of the evening – my grass skirt got stuck in one of the floor fans, but fortunately I was able to pull it out of the fan before it got ripped off my body. JL cued a lot of rumbas and cha-chas which Russ and I can sort of dance. The Cuban shuffle was one dance even non round dancers were able to dance. Jan Bergesen called one tip. Her singing call of “Summertime” is a favorite highlighting her strong singing voice. Bobby kept the dance fun with plus calls interspersed in every tip. Bobby summed up the evening perfectly – a small group, but a lot of fun.

Square Dance Clothes:

Linda Jolly, Mary Hardin's daughter, mentioned that Mary had a lot of square dance clothes the family would like to get rid of. If anyone is interested in obtaining any of these, please contact me (yo_red@verizon.net) and I will give you Linda's phone number.

This is from Linda Harris: FREE FREE

There is a free hearing assist free to anyone. It does not have to be Swinging Stars just anyone that will use it. Call or Email Linda Harris at lindaharristx@hotmail.com.

In Memory of Mary Hardin

Swinging Stars lost a beloved member of our club and the whole square dance community last week. Prior to joining our club, Mary had been president of the Solitaires Square and Round Dance Club before it folded. As a Swinging Star, Mary served as second vice president. She was always willing to help out and never failed to attend a dance with her dance partner, the late John Smith. They were known as beautiful round and square dancers. Mary continued to dance with various partners up until COVID hit. We remember Mary as an avid quilter, devoted mother and grandmother. She loved to work in her garden and would come up with fun dishes to bring to our dances. Mary seldom missed a ladies luncheon, holiday party, or club visitation. When she started to have vision changes, she would seek a ride from a club member to the dance or have her daughter drive her, never missing an opportunity to dance. Mary had many beautiful square dance outfits and petticoats, which were hand made. Many people from the dance community attended the wake and funeral, sharing fond memories of Mary and our combined grief.

2nd VP Report

From Dave and Lorraine Burson

August 24 -- Ladies Luncheons -- A Reservation has been made at the Chocolate Angel in Plano.

Ladies Luncheons are coming back. These luncheons are for the associate members as well as the regular membership. I have made a reservation for the Swinging Stars Ladies under the name of Lorraine. The Chocolate Angel is at 600 Central Expressway. The restaurant is the High Street Antique Mall at Central and East Plano Parkway.

I had ask for recommendations for the date of the week that would be best for you. I only had 2 replies. So I went for the 4th Tuesday, **August 24 at 11:00am**. Send an email to Lorraine@Bursons.us or phone me at 972-396-0941 and let me know that you are planning to attend. I need to know by August 21, so there will be ample time for me to firm up the reservation, and to let them know how many will be attending so they can be ready for us.

No texts please.

Sunday September 12 -- Picnic in the Park

Location is: Hoblitzelle Park in Plano (7500 Red River Drive). This is a beautiful Park with a large Pavilion. The Swinging Stars has scheduled a Picnic in the Park for September 12 at 4:00 to ???. We will probably eat dinner about 5:00 or so. This picnic is for the associate members as well as the regular membership. It would be sweet to see everyone and visit again. It will be out of doors, so it should be safe. Feel free to wear a mask, if you wish.

We are requesting that the picnic be a Potluck Dinner. Please reply to Lorraine@Bursons.us, or call me at 972-396-0941, if you are planning to attend and what sort of dish you would like to bring. We are requesting that you bring your own drinks. **NO Alcoholic Beverages Please.** No alcoholic drinks are allowed in the City Parks. If you do bring Alcoholic Drinks we can be fined and kicked out of the park. The club will furnish the paper plates and flat ware. There are several picnic tables under the pavilion, I am sure enough to accommodate us, but if you want to sit comfortable in your lawn chair while visit with others, you can bring your own chairs. I did see an electric outlet there being used, when I was there to an event. I hope to hear from you soon. **No texts Please.**

Thank you,

Dave and Lorraine Burson

Saturday, August 14: Dixie Chainers -- Party at the beach -- Official Visitation

Bobby called an excellent dance at the Dixie Chainers. This was Bobby's last time to call for the Dixie Chainers. The Dixie Chainers decided to change their dance night to the first Saturday night and Bobby didn't want to tie up 3 weekends a month. Also retiring from the Dixie Chainers was Jack Von der Heide. Thank you to these 10 Swinging Stars members for supporting our Official Visitation: Bursons, Kilejians, Nejdls, Rodgers, and Sees. We did get a signature on the Club Visitation card working toward the 980-signature patch. We didn't capture a banner. They tried to give us another banner, but we already have two banners from the Dixie Chainers. Hopefully they will come and retrieve them soon.

Sunshine information

From Lucy Hamm our Sunshine Reporter

Friday night's dance was really one with something for everyone. During early rounds JL cued a phase 4 bolero "My Heart Will Go On" choreographed by Debbie and Tim Vogt. The Vogts are coming to Texas in October to teach and cue for a dance weekend. Round dancers from Dance Arounds, Rainbow Rounds and Ramblin Rounds clubs have learned this dance recently. During the square dance workshop, Bobby mixed some easier plus calls, leading up to Load the Boat, to his regular mainstream calls. During the evening Bobby's singing tips were very good to listen to as usual. He also continued offering a few plus tips as well as mainstream. It was good to see Bob and Janet Rogers, our newest members, participating enthusiastically. Our most recent square

dance lessons graduates, Debra and Grant Gulickson, were frequently dancing plus along with mainstream. They had taken bolero round dance lessons also before 2020. JL cued a phase 3 bolero and they surprised themselves how well they did. JL offered a variety of all level round dances including 2 phase 4 waltzes "Scheherezade" and "Coney Island" choreographed by Karen and Ed Gloodt. JL also cued a phase 4 slow two step "From Hello" which was introduced at the ICBDA convention in Reno (our first attendance). It was choreographed by JL and Linda Pelton..(a long time favorite dance of mine which I still managed to mess up; a few steps in the middle). We all appreciate former Presidents, Doug and Jan Bergesen, who received their Past President bars at the dance. It was a challenging period while they served. We extend best wishes and good luck to our present Presidents Russ and Anne Nejdl who began on August 1st.
